

ULTRASOUND WORLD VI

May 10 - 14, 2010

Clearwater Beach, Florida

ULTRASOUND WORLD

is a great learning experience for Ultrasound technology. Whether you're just getting started or are actively involved, there's something here for you.

- Case Histories
- Technology Developments
- Energy Conservation
- Compressed Air Surveys
- Steam Trap Inspection
- Reporting Cost & Carbon Footprint Savings
- Condition Monitoring
- Spectral Analysis
- Data Management

APPLICATIONS

- Leak Detection
- Electrical Inspection
- Mechanical Inspection
- Bearing Trending
- Lubrication

WHO SHOULD ATTEND?

- Maintenance Managers
- Inspectors
- Service Providers
- Reliability Engineers
- Asset Managers
- Predictive Maintenance Inspectors
- Anyone using Infrared, Vibration & Ultrasound Technologies

VENDOR EXHIBITS

A Vendor Exhibit will be open to provide visitors with information about related technologies and programs. Vendors will display and demonstrate the latest advances in their Pd/PM technologies.

Here's a chance to learn from and network with other users. You must experience this conference to understand the full impact it can have on your condition monitoring/energy conservation programs.

Real-World Solutions for Condition Monitoring, Energy Conservation & Program Management.

... A Conference Packed with Information

Learn about

- **Ultrasonic Condition Monitoring**
- **Ultrasonic Energy Conservation**
- **Sound Sample Analysis**
- **Software Management**
- **Integrating Technologies**

Hear how users of the technology are successfully implementing their Ultrasound Programs.

Extended Program: The conference format has been extended to add new features that can help advance your professional growth.

1. The SMRP (Society of Maintenance Reliability Professionals) is offering their CMRP (Certified Reliability Maintenance Professional) examination at the conference. This is a great opportunity to see how much you know and what you might need to learn.

Post Conference Classes

2. Half-day Course for Data Management Software
3. Half-day Course for UE Spectralyzer (spectral analysis software)

Ultrasound World VI Conference May 10 - 14, 2010

Hilton Clearwater Beach Resort
400 Mandalay Avenue
Clearwater Beach, FL 33767
1-727-461-3222

Hotel and Travel Information

Hotel: Attendees are responsible for their own reservations. Call the hotel directly to receive a pre-registration discount & mention UE Systems Ultrasound World Conference.

Airport: Tampa Int'l Airport is less than 30 minutes from the hotel. Several car rental agencies are available at the airport.

Attend the Optional Post Conference Software Courses

Friday, May 14 Optional Software Courses

8:00am - 12:00pm	DMS Software Course
12:00pm - 1:00pm	Lunch
1:00pm - 5:00pm	Spectralyzer Course

Agenda

Monday, May 10 ...	Exhibitor Set-up PM Registration Evening Reception
Tuesday, May 11 ...	Full day Program
Wednesday, May 12 ...	Full Day Program
Thursday, May 13 ...	1/2 Day Program

Optional Post Conference Courses

Friday, May 14 ...	Software Courses
